<p style="text-align: center;">COUNTY MEASURE No. 1</p> <p>Currently, the emergency services communication (9-1-1) fee structure allows the City of Fargo to impose \$1.00 per month, the City of West Fargo to impose \$1.50 per month, and Cass County to impose \$1.00 per month outside of the cities of Fargo and West Fargo per “communication connection” (telephone access line, wireless access line, unique voice over internet protocol service connection, or functional equivalent uniquely identifiable by a number, internet address, or other designation) for the operation and maintenance of the 9-1-1 emergency services communications systems. Should these various fees be replaced by a single countywide fee not to exceed \$1.50 per month? Voter approval would allow a countywide fee, not to exceed \$1.50 per month per “communication connection” to become effective January 1, 2015, with the revenue dedicated to maintaining and operating the emergency services communication (9-1-1) system as required by State law.</p> <p><input type="radio"/> Yes - Means you approve the proposed countywide fee of \$1.50 per month.</p>	<p><input type="radio"/> No - Means you do not approve the proposed countywide fee of \$1.50 per month.</p>
